Features

The 2012 Mazda Demio, known internationally as the Mazda2, is a compact hatchback that combines practicality with fuel efficiency. In 2012, Mazda introduced the 13-SKYACTIV model, featuring a 1.3-liter SKYACTIV-G engine with a high compression ratio of 14.0:1, delivering 84 horsepower at 5,400 rpm and 112 Nm of torque at 4,000 rpm. This engine, coupled with a continuously variable transmission (CVT), achieves a fuel economy of 30 km/L under Japan's 10-15 mode test cycle and 25 km/L under the JC08 test cycle. The 13-SKYACTIV model includes features like Mazda's i-stop idling stop system, aerodynamic enhancements such as an engine under cover and rear roof spoiler, and the i-DM driver support system that provides feedback to improve driving skills.

*Finance calculation based on a 60 month term, no deposit and with an example annual fixed interest rate of 12.95%. Actual interest rate may be higher or lower. Establishment fee of \$75 and Broker fee of \$295 are included in the calculations. Full term amount payable of \$50,121. Estimate only, not an offer of finance. Terms, conditions and lending criteria apply.
